Friends of the Heart

sharing God's love through testimony, drama, and song

On an early morning in January of 1998, three girlfriends got together to study the Bible and pray. Each weekly meeting following that first crack-of-dawn cup-of-tea confirmed in Janine, Shirley, and Kim that the Lord had indeed brought them together for a reason.

Over a decade later, God's purpose for uniting this threesome is evident in the ministry they have so willingly taken on as "Friends of the Heart". Whether they're encouraging a friend who needs some uplifting, or reciting a dramatic presentation of scripture, or entertaining a group of women with a meaningful song, Janine, Shirley, and Kim have a passion for opening women's hearts to the joy we have in Christ. www.friendsoftheheart.us

"If Our Closets Could Talk"

A retreat based on a subject to which women easily relate--clothes! You'll peek into your life closet too. What's in There? What Doesn't Fit? What Should We Give Away? What Should We Pitch?
